INDLEDNING

Indhold

Side 001 - 433 Fortegnelse over samtlige ved udgangen af 1983 i *Aktieselskabs-Registeret* registrerede aktie- og anpartsselskaber og filialer af udenlandske aktie- og anpartsselskaber. Fortegnelsen omfatter yderligere de aktie- og anpartsselskaber, der i løbet af 1983 er slettet af registeret. De slettede selskaber og filialer er markeret med en foranstillet stjerne. Ved de enkelte selskaber og filialer er angivet selskabsformen (A/S for aktieselskab, APS for anpartsselskab og UDL for filial af udenlandsk selskab) samt registrerings-nummer og CIR-nummer. Registrerede binavne til aktie- og anpartsselskaber er ikke medtaget. Forsikringsaktieselskaber er ikke medtaget i denne fortegnelse, men kan findes i forsikringstilsynets årsberetning.

Side 435 - 450 Fortegnelse over samtlige ved udgangen af 1983 i *Forenings-Registeret* registrerede foreninger samt over foreninger, der i løbet af 1983 er slettet af registeret. De slettede foreninger er markeret med en foranstillet stjerne. Ved de enkelte foreninger og betegnelser for foreninger er angivet registrerings-nummer. Fortegnelsen omfatter også de af foreningerne anvendte særlige betegnelser, der er optaget i registeret.

Navneopslag Selskaberne og foreningerne er opført i fortegnelserne i alfabetisk orden. Der er anvendt de navne, hvorunder selskaberne og foreningerne er optaget i henholdsvis *Aktieselskabs-Registeret* og *Forenings-Registeret,* af tekniske grunde dog i visse tilfælde med forkortelser og udeladelse af mindre betydningsfulde dele af navnet.

Om navnesorteringen iøvrigt bemærkes:

1. Selskaber og foreninger med historiske navne, som Hans Tavsen, Peder Skram og Kirsten Piil, er opført under det første navn, altså under henholdsvis H, P og K. Det samme gælder, hvor navnet på en gade udgør selskabets eller foreningens navn, således at et selskab eller en forening med navnet Johan Bauers Plads står under navnet J.
2. Selskaber og foreninger med sammensatte personnavne, der ikke er historiske, er opført under det sidste navn uden hensyn til en eventuel bindestreg.
3. Selskaber og foreninger, hvis navne er betegnelse for et matr. nr., er opført i nummerorden under Matr.
4. Indledes selskabets eller foreningens navn med talbetegnelse, er selskabet eller foreningen opført forrest i fortegnelsen i numerisk rækkefølge, f.eks. står 3 Falke Møbler før 12. Maj.
5. Selskaber og foreninger, hvis navn består både af en dato og et årstal, er opført i datoorden sidst i fortegnelsen. Hvis dato og årstal må anses for en mindre betydende del af navnet, f.eks. Jøko af 10. august 1958, eller når der kun indgår et årstal, men ingen dato i navnet, f.eks. financieringsaktieselskabet af 1941, står selskabet eller foreningen opført under begyndelsesbogstavet, nævnte selskaber eller foreninger altså under henholdsvis J og F.

Kort oversigt over oplysninger der kan indhentes i Aktieselskabs-Registeret og Forenings-Registeret

Årsregnskaber

Eftersyn og selvkopiering

De indsendte årsregnskaber for aktie- og anpartsselskaber, herunder koncernregnskaber og årsberetninger fra filialer af udenlandske selskaber, opbevares i registeret på mikrofilm (mikrofliche). Disse er offentlig tilgængelige og kan på forlangende udleveres til gennemsyn eller kopiering i Aktieselskabs-Registerets afdeling for regnskabseftersyn i *Kampmannsgade 1, 1. sal* (ekspeditionstid mandag - fredag, kl. 10-15).

Ved gennemsyn af regnskaberne benyttes de i eftersynsafdelingen opstillede læseapparater. Benyttelsen er gratis.

I afdelingen er tillige opstillet kopiapparater, hvor publikum selv kan affotografere henholdsvis regnskabssider (4 kr. pr. side) og hele mikrofilm (30 kr. pr. mikrofilm).
