BRASILIANA: JOURNAL FOR BRAZILIAN STUDIES

Brasiliiana is a biannual online academic journal in which scholars from a diverse disciplines in Humanities and Social Sciences can publish their research and draw on scholarship within the interdisciplinary field of Brazilian Studies.

The journal provides open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.

Articles published in the sections ‘Dossier’ and ‘General’ are submitted to a double-blind peer review procedure. The section ‘Varia’ presents essays and creative works that do not go through the peer-review process.

Please contact the editor-in-chief to discuss the possibility of becoming a guest editor of a relevant thematic dossier.
