

# GEOGRAFISK TIDSSKRIFT

88. bind – 1988

Udgivet af

Det Kongelige Danske Geografiske Selskab

Redaktionskomité: Niels Kingo Jacobsen (ansvarsh.),  
Ole Humlum, Kr. M. Jensen, Henrik Breuning Madsen,  
Christian Wichmann Matthiessen, Henning Mørch.  
Sekretærer: Inge Primstad, Annie Witte. Oversætter:  
Kirsten Winther. Tegnere: John Jønsson, Jørgen Ulrich.

## INDHOLD

DET KONGELIGE DANSKE GEOGRAFISKE SELSKAB	
Protector, præsident, bestyrelse og råd .....	III
Møder i sæsonen .....	III
Galathea Medaillen, Sofus Christiansen .....	IV

## AFHANDLINGER

Madsen, H.B. & Holst, K. Aa.: A Nation-wide Mapping of Dry Soils for Plant Production – A case study from Denmark .....	1
Reenberg, A.: Agricultural land-use in Denmark in the 1980s .....	8
Mørch, H.: Two types of Danish rural population change based on natural resources – a long-term perspective (1769-1981) .....	13
Engelstoft, S.: Urban-industrial restructuring and the built environment .....	21
Andersen, H.T.: The changing urban morphology and public involvement .....	28
Folke, S., Enevoldsen, T., Fischer, H., Fold, N.: South-South trade in manufactured goods – with a case study of India's export of capital goods to Tanzania .....	34
Høy, Th.: Morphometry of 150 Danish Lakes with some Considerations on Cartometry .....	44
Aagaard T.: Rhythmic beach and nearshore topography: examples from Denmark .....	55
Nielsen, N.: Observations of sea ice influence on the littoral sediment exchange, North Zealand, Denmark .....	61
Krüger, J.: Glacial geomorphological research at Myrdalsjökull, Iceland, 1977-86. I: the northern margin .....	68
Humlum, O.: Natural cairns on rock glaciers as an indication of a solid ice core .....	78
Hasholt, B.: Massbalance studies of the Mitdluagkat Glacier, Eastern Greenland .....	82
Jakobsen, B.H.: Soil Formation on the Peninsula Tugtulisuaq, Melville Bay, North West Greenland .....	86
Hansen, B.U.: Satellite Monitoring of the Biomass Production in Southern Greenland .....	94
Rasmussen, K. & Olesen, H.H.: Applications of multivariate statistical analysis in remote sensing of agriculture .....	100

Søgaard, H.: Estimation of the surface energy balance in the Sahelian zone of Western Africa .....	108
--	-----

## NOTER

Christiansen, S.: Ørkenspredningen i Sudan-Sahel regionen .....	117
Jensen, Henrik S.: Et spændende og markant 100 års minde om et helt fantastisk menneske! .....	119
Matthiessen, Christian Wichmann: De fynske landsbyers historie .....	122

## LITTERATURANMELDELSER

### KARTOGRAFI OG STATISTIK

Harley & Woodward: History of cartography .....	129
Clark & Hosking: Stat. methods for geographers ..	135
Chermisinoff: Pract. stat. f. engin. and scientists ..	137
Mather: Computer process. of rem.-sensed images ..	140
Jongman et al.: Data analysis in community .....	138
Shiryaev: Computers and repr. of geograph. data ..	140
Codata: Method. f. multisat. thematic mapping ...	138

### NATURGEOGRAFI OG GEOLOGI

Meissner: The continental crust .....	132
Sæther: Jordskjælv, vulkaner & erupt. bergarter ....	136
Emery & Uchupi: The geol. of the Atlantic Ocean ..	136
Johns: Phys. oceanogr. of coastal & shelf seas .....	137
Gregory: Energetics of physical environment .....	132
Trenhaile: The geomorphology of Rock Coasts ...	137
Pillewizer: Zwischen Alpen, Arktis & Karakorum ..	133
Gardiner: International geomorphology 1986 .....	126
Lehmann: Beiträge zur Karstmorphologie .....	141
Shapley: The seventh continent: Antarctica .....	133
Hutter: Theoretical glaciology .....	135
Timokhov: Dynamics of ice cover .....	133
Müller & Nippes: Problems of regional hydrology ..	137
Page: Planning for groundwater protection .....	137
Vogt & Slaymaker: Erosion budgets .....	136
Pye: Aeolian dust and dust deposits .....	136
Ozima: Geohistory, glob. evolution of the Earth ..	135
Trudgill: Soil and vegetation systems. 2.ed. ....	136
Richter: The soil as a Reactor: model.process. ....	141
Kirkby et al.: Computer simulation, phys. geo. ....	136
Mulders: Remote sensing in soil science .....	140
Gregory & Walling: Human activity & env. proc. ..	136
