

Søren Kierkegaard Literature 2002–2004 A Bibliography

By Aage Jørgensen

Preface

The present compilation of literature on Søren Kierkegaard updates the following publications: [1] *Søren Kierkegaard-litteratur 1961-1970: En foreløbig bibliografi*, Århus, 1971; [2] *Søren Kierkegaard-litteratur 1971-1980: En bibliografi*, Århus, 1983 (repaginated off-print from *Kierkegaardiana*, 12, 1982, pp. 129-235); [3] »Søren Kierkegaard Literature 1981-1991: A Bibliography«, in *Kierkegaardiana*, 16, 1993, pp. 166-239; [4] »Søren Kierkegaard Literature 1992-1993: A Bibliography«, in *Kierkegaardiana*, 17, 1994, pp. 221-36; [5] »Søren Kierkegaard Literature 1993-1994: A Bibliography«, in *Kierkegaardiana*, 18, 1996, pp. 267-84; [6] »Søren Kierkegaard Literature 1994-1997: A Bibliography«, in *Kierkegaardiana*, 19, 1998, pp. 207-41; [7] »Søren Kierkegaard Literature 1997-1998: A Bibliography«, in *Kierkegaardiana*, 20, 1999, pp. 353-69; [8] »Søren Kierkegaard Literature 1998-2001: A Bibliography«, in *Kierkegaardiana*, 22, 2002, pp. 271-306.

The compilation was made to a great extent on the basis of current bibliographies. Whenever possible, entries were verified by checking the works in question. Entries which could not be verified in this way are marked with an asterisk, in which case the source is normally one of the following bibliographies: *International Kierkegaard Newsletter*; *MLA International Bibliography*; *Humanities Index*; *British Humanities Index*; *Philosopher's Index*; *ATLA Religion Database*.

The material is ordered alphabetically accord-

ing to author's name. In cases where several contributions are listed for one author, those entries are placed in chronological order. Critiques, reviews, etc., are generally listed along with the works with which they deal. Collections are (with a few exceptions) treated in the same way as other books and alphabetized according to the name of the editor.

Additions to the bibliography include:

- Appendix 1: Editions of Søren Kierkegaard's own works which also contribute to the literature on him through their introductions, postscripts, commentaries, etc.
- Appendix 2: Newspaper articles (Danish only).
- Appendix 3: Dissertations, etc.
- Appendix 4: Additions and corrections to entries in the previously published bibliographies.
