

INDEX OF AUTHORS AND SCHOLARS

The alphabet employed is a b c ... u v w x y (ü) z å (aa) ä (æ) ö (ø). Finnish and German names with aa will, however, be alphabetized as with a double a. German ä, ö and ü will be treated as Nordic ä, ö and y; i and j, v and w are separated. Icelandic ð and þ are equivalent to d and th.

The Cyrillic alphabet is transliterated according to the international system for the transliteration of Cyrillic characters [ISO].
