

SITE INDEX

The specific names of sites are listed for castles, churches, towns, and well-known find localities. The name of the relevant county, district, or region according to the map is always listed, except when the paper deals with a larger area. General surveys may be found under **SURVEY** in the **Subject index**. The Scandinavian names are always used, *i e* København, not Copenhagen.

For the area outside the Nordic the name of the country is listed as are well-known find localities.
