

AUTHOR INDEX

The alphabet employed is a b c ... u v w x y (ü) z å aa ä (æ) ö (ø). Finnish, German and Greenlandic names with aa are, however, alphabetized as with a double a. German ä, ö and ü are treated as Nordic ä, ö and y; i and j, v and w are separated. Icelandic ð and þ are treated as d and th. Other diacritic signs are not taken into consideration.

The Cyrillic alphabet is transliterated according to the international system for the transliteration of Cyrillic characters [ISO].
