

LIST OF ARCHAEOLOGICAL PAPERS FROM ESTONIA, LATVIA AND LITHUANIA

The list is included as a service for those interested in Baltic archaeology. Compilation: Christian Carpelan and Pekka Sarvas.

The papers are not indexed. The bibliographical information is given in the lists Periodicals, etc and Collective works, etc.

Unfortunately it has been impossible to use the Cyrillic alphabet, so Russian titles and names are transliterated according to the Continental system. » « indicates transliteration. For technical reasons some of the diacritical marks have been left out also in Estonian, Latvian and Lithuanian.
