

CROSS-REFERENCE GUIDE

The abstracts in NAA are placed in the archaeological period given most prominence in the paper, see *Abstracts section finder*. Other periods, treated more briefly in the papers, may be found in the cross-reference guide below.

As readers are advised to consult the entire general section 1 and the multi-periods/undated section 11, abstracts from these sections are only exceptionally included. However, under the guide word *Iron Age* you will find reference to those papers from sections 1 and 11 which deal with the main period *Iron Age*. General surveys and catalogues are listed in the subject index under *Surveys* and *Catalogues*.

Readers interested in one or more special subjects are advised to consult the *Subject index* and the *Site index*.
