

Opgaverne kan besvares af statsvidenskabelige, økonomiske og forsikringsvidenskabelige kandidater, som ikke har været kandidat i mere end 10 år.

Besvarelser kan belønnes med 500 kr. og offentliggøres som artikel i Nationaløkonomisk Tidsskrift mod sædvanligt forfatterhonorar.

Besvarelserne må højst være af omfang som 25 sider af tidsskriftets format og indsendes mærket og med lukket navnekuvert til redaktionen inden 1. december 1958.

Bedømmelseskomiteen består af tidsskriftets redaktionsudvalg og redaktør.

#### LITTERATUR OM ØKONOMISK VÆKST PÅ DET KONGELIGE BIBLIOTEK

(Maj 1958)

På grund af den stærke interesse for problemerne om økonomisk vækst, der i 1958 bl. a. behandles på Det nordiske nationaløkonomiske møde og ved Nordisk Sommeruniversitet, bringes denne gang i stedet for den normale liste over nyudkomne nationaløkonomiske værker, en liste over bøger, der behandler vækstproblemer, og som forefindes på Det kgl. Bibliotek. Efter hvert værk er i rund parentes angivet Det kgl. Biblioteks signatur, som bedes benyttet ved evt. bestillinger. For tidsskriftsartikler og for værker, der ikke forefindes på Det kgl. Bibliotek, henvises til de i indledningsafsnittet nævnte bibliografier.

Litteraturlisten er udarbejdet af bibliotekar, cand. polit. *Knud Erik Svendsen*.
