Noter og meddelelser

IEA's niende verdenskongres i 1989

International Economic Association, der er en sammenslutning af nationale økonomiske foreninger i hele verden, hvoraf Nationaløkonomisk Forening er medlem, afholder sin niende verdenskongres fra 28. august til 1. september 1989 i Athen.

I modsætning til de tidligere kongresser

har denne ikke noget overordnet tema, men er organiseret i 15 sektioner med hver sit emne og seks - ligeledes emneopdelte - pannediskussioner.

Interesserede medlemmer af Nationaløkonomisk Forening bedes kontakte foreningens sekretær, Erik Haller Pedersen, Danmarks Nationalbank.
