# Preface

“Proceedings of the Danish Institute at Athens (PDIA)” is a periodical appearing every second year. Its aim is to publish the results of the archaeological activities of the Institute as well as articles by scholars, Danish or foreign, in the fields of Greek archaeology, history, philology, and literature. Articles submitted should follow the guidelines of PDIA and preferably be in English, though contributions in German, French and Italian will also be accepted. Scholars who wish to contribute to the journal should get in touch with:
